ABOUT NORDIC APIS

- Nordic APIs is a network and knowledge based community for API practitioners and enthusiasts

Nordic APIs is the world's largest API community. Our goal is to help organizations make smarter tech decisions using APIs. We do this by:

- Publishing high quality articles on our blog
- Distributing free eBooks on various API topics
- Hosting API events all around Europe and the world

WHY CO-ARRANGE AN EVENT WITH NORDIC APIS?

Nordic APIs is an established name in the API industry, and have arranged more than 20 different events all around the world. With thousands of community members we are trusted to provide real thought leadership on all aspects within the API sphere.

- Meet with international thought leaders
- Increase credibility of company brand
- Meet with our fantastic community

THE PARTNERSHIP

What do we expect from you?

Who are you? Nordic APIs are looking for technology companies with a role to play in the API space, and wants to share their view with our community

EVENT VENUE

- Arrange venue
- Food
- Coffee and snacks

PROMOTION OF EVENT

- Find and invite suitable attendees
- Spread the word about the event in social channels and/or email

SPEAKERS

- Find and invite suitable speakers

Nordic APIs will provide:

- Advertisements
- Graphic design
- Sale of tickets

Nordic APIs will also handle the project management and may invite speakers. We will promote the event to our entire online community in all channels, and fly over to manage and attend the event.

HOW WE WORK

POLICY

Nordic APIs is an open and diverse community, and speakers should represent all constituents of the community.

SESSIONS

Nordic APIs strive to maintain a neutral approach to API best practices, and so it is *very important* to keep each session as vendor neutral as possible.

DISTRIBUTION OF CONTENT

Nordic APIs reserves the right to publish videos and slides on (but not limited to):

- SlideShare
- YouTube
- Nordicapis.com

EVENT PROCESS

START-UP MEETING

Theme, date, time & venue

Regular Meetings

Find speakers, book venue
etc.

Event

TARGET AUDIENCE

At Nordic APIs events and workshops (depending on the size), theme and speakers are based on what will attract professional API practitioners.

Nordic APIs always focus on web APIs, and one or more of these six API insights:

API Platforms

API Strategy

API Marketing

API Business Models

API Security

API Design
